

HAZEL LEYS ACADEMY

Year 3 Newsletter

Monday 7th
January

Welcome back after the Christmas break. We have made slight changes to our seating plan and our corridor space has a new display, representing our text this term:

The BFG!

Thank you to all the children and parents who took time to complete their projects- our display area is looking great again!

Topics

In English this term, we are focusing on classic stories and then biography.

In Mathematics we are still learning about multiplication and division, followed by money. We are revising 3 and 4 times tables and then we will move on to counting up in 8.

Our topic is Southern Europe. Children will study the art of Salvador Dali.

In Science, we will be rock detectives and learn about the different types of rocks and identify their observable properties.

PE Lessons

PE will continue to take place on Monday and Thursday afternoons. Please remember that children must be able to remove their own jewellery before taking part in any sporting activity and must always have their full PE kits (including plimsolls) with them in school.

Homework

Homework needs to be handed in to be marked in class each Wednesday.

Reading

Thank you to those parents who support with reading at home. It is so important so keep it up!

Dates for your diary:

Forest School Group 3 starts on 10th January

28th January National Story Telling Week

1st February Number Day (NSPCC)

8th February Mime Workshop.

12th February Safer Internet Day

13th February Class Photographs

15th February Whole School Celebration Assembly.

Thank you,

Ms Wade, Ms French and Mrs Tansey
