

HAZEL LEYS ACADEMY

Year 3 Newsletter

**Wednesday
27th February**

Welcome back after the half term holidays. We hope that everyone had a good break.

Thank you to all the children and parents who took time to complete their projects - our display area looks very interesting.

Topics

In English this term, our class reader is *Charlie and the chocolate factory* by Roald Dahl and we will be using this text to write our own narrative and biography.

In Mathematics, we are learning how to calculate length and perimeter. We will also be adding and subtracting fractions. Please help with times table practice at home.

Our topic is the Mayans. Children will design and make their own chocolate bars.

In science we are learning about growing plants.

PE Lessons

PE sessions are on Monday and Thursday afternoons. Please remember that children must always have their full PE kits with them in school. With the better weather, some sessions may be outside so please make sure that suitable outdoor kit is in school.

How you can help at home

Homework

Homework will continue as previously and will be marked with the children on a Wednesday.
