Our Trip to Hazard Alley

Looking after our Mental Health ~ Well Being Circle

In Class 4 we know how important it is to look after our mental health, that is why every week we sit together in our well being circle and complement each other. Doing this makes us feel really good about ourselves.

Tri Golf

Last Term, some children in class 4 were chosen to take part in a golf tournament, Miss Corner and Mrs Jacklin were very impressed with these children and all the hard work they put into trying to score as many points as possible!

Friendly Reminder

It is very important that children complete their reading challenge every day. In Year 4 the children are responsible for signing their reading record. We would recommend 10-15 minutes of reading each night.

Homework is handed out every Thursday and is due back in the following Tuesday. This gives us a chance to mark their homework ready for Thursday. It is important that the children are completing their homework, it revises what they should already know in maths and English and builds on their skills and confidence in these subject areas. Along with homework, we send home weekly spellings. These do not need to be brought back into school.

Homework club runs on a Thursday. Ask at main reception for a letter if you would like your child to join.

Children will get a spot at the end of each week for completing their homework and their reading challenge. This goes towards the children getting their awards!
