

Hazel Leys Academy

Year 6 Summer Term 2 Newsletter

WELCOME BACK!

We hope you had a lovely half term break and are ready for your final term at Hazel Leys Academy! This term will still be very busy: we have a play to rehearse and perform; sports days (in school, Town Sports and GAT Sports); transition days to your new secondary schools and final year awards ceremony to look forward to.

Topics

For the final term in year 6 our history and geography topic is Our Local Area. In this we will be looking at the history of Corby and how the area has changed over time. We will also be busy rehearsing and making the scenery and props for our play, 'The X Factory.'

The X Factory

This week we will be casting roles for our end of year play 'The X Factory'. Children will soon be planning their costume for their part; we would be grateful if parents could assist their child in providing the costume for their chosen part and any props necessary.

P.E

Our PE lesson this term will be on Monday and Thursday. Please make sure children have both their outdoor and indoor kit on these days.

Transition to secondary school

Over the course of the next few weeks the children will begin their transition process for secondary school. Several secondary schools have already arranged to visit the children and answer any questions that they might have. This term the children will have an opportunity to visit their school on transition day, Friday 12th July. On this day children go straight to their new school and, unless told otherwise, wear their current school uniform. Secondary schools will provide information about lunch arrangements for the day.

Leavers celebration

After the year 6 play, The X Factory, children will be invited to return to school at 5:30pm for an award ceremony and leavers disco. Children will receive their end of year awards and have time for one final celebration together.
