

Hazel Leys Academy Year 1 Summer Term 2

Welcome to our Exciting New Term

Our new topic is 'Under the Sea'. We will be learning about the 5 main oceans, what they are called and where they are in the World.

We will also be looking at what lives in the different oceans – our trip to the Sea life centre will definitely help with that!

What a busy term we have just had!

The children have enjoyed learning about plants that we eat and how they grow. We have been investigating how plants drink.

Ask your child what the results were!

Koala class enjoyed looking at where our food comes from. We found out that our bananas came from Costa Rica and the satsumas came from Morocco

Summer Term 2 Learning

English – The children will be looking at rhymes and riddles. We have found some lovely books to support this that link with our topic – Commotion in the Ocean, Rainbow Fish and The Fish who could Wish.

Maths – We will be finding out about fractions – $\frac{1}{2}$ and $\frac{1}{4}$, as well as learning about money and time.

DT – Over the next few weeks we will be designing, sewing and evaluating our own butterfly puppet.

Science – We will be looking at how to look after plants, animals and ourselves. What do we need to stay fit and healthy?

PE will be on Tuesdays and Fridays. Please make sure your child has a PE kit in school on those days and that they have suitable plimsolls or trainers as we will be going outside.

We have been so impressed with the weekly spelling results – please continue to practice with your child as it really does make a difference! Spellings will be tested on Fridays.

Reading – Please continue to read with your child throughout the week. If you sign their reading record, your child will get a smiley! We will change the reading books Monday, Wednesday and Friday if the reading record has been signed.
