Year 5 ~ Golden Eagles

Spring Term 6 2019 Curriculum Newsletter

WELCOME BACK TO TERM 6

A huge welcome back to all our Golden Eagles after what we hope was a great half term break. We are all very sad that Mrs Blackwood is not with us this term as she takes a short break to recover from an ongoing illness. I know you will all join with us in wishing her a speedy recovery and we all look forward to having her back with us soon. The term has got off to a great start however and the children are all working hard as they complete their final weeks in year 5. There is lots going on this term, so be sure to look at the dates for your diary so you don't miss anything.

P.E

We have made a few changes to the Year 5 P.E curriculum this year and the children will now swim for the whole year. Swimming will continue through Term 5 and 6, including the final week of term. The children will still need to have P.E kit in school for their second P.E lesson on Tuesday. Please help your child to ensure they have the appropriate kit in on both days, jewellery removed and hair tied back.

Many thanks.

ONE NOTE AND TEAMS...

The children have made amazing progress in their use of One Note last term and Year 5 are now working in a completely paperless way in school. All learning tasks are now completed in One Note, with the children using TEAMS as a supportive network within the class. This does mean that parents will not see work in their books however please ask your child to show you their One Note so you can see what they have been learning in school; why not take a sneak peek at the butterflies the children are growing this term - magical.

HIGHLIGHTS FROM LAST TERM...

The Safety Centre ~ Hazard Alley

The National Space Centre
