Our Meeting — May 11th 2018.

We have had a very successful first month in our new roles. The monitors have been working hard to make sure our children are behaving appropriately in the corridors. Our first fundraising activity has been successful and we now have some new ideas to sell more sunflower seeds at our end of term assembly on May 25th.

Date for Diary - May 24th 2018.

Learning Outside the Classroom Day mufti day—children to dress in a Garden theme (scarecrow, flower, gnome, farmer, etc.) Donation £1.

1. BEHAVIOURS

Councillors reported that the new corridor monitors were very successful. Children have been using the rota. There are a very few children who need reminding of how to move around the Academy in a calm and purposeful manner. Their names will be shared with the Class teacher so that they can be reminded of the Academy expectations and values. 'Integrity' - doing the right thing.

2. SUNFLOWER FUNDRAISING.

There has been a successful start however the Academy Council (AC) believed they could sell more. Children will fill and label more envelopes and sell these at the celebration assembly on May 25th. Denis suggested we offer 'Buy one get another half price' in an end of term sale. All children agreed this was a good idea.

3. COUNCIL RESPONSIBILITIES.

The Council were reminded that they are role models for all the children in their class. Mrs May had been informed that some members aren't bringing in their homework. The children were reminded that this wouldn't be tolerated as this was clearly not showing good behaviour for others to follow. Children agreed to change their behaviour. Staff to monitor.

4. FUNDRAISING

1. Sunflower seeds to be sold at celebration assembly.
2. Garden mufti day — Thursday May 24th — all children to dress as flowers, vegetables, garden gnomes or farmers for a donation of at least £1.

5. PE QUESTIONNAIRE

Mrs Cadman attended our meeting. She asked the children to do a PE survey in their classes and each member was given a questionnaire. The AC will share these with their class and return completed questionnaires to Mrs Cadman on Friday May 18th.

Friday 11th May—Assembly.

Children from Year 1 to Year 6 were invited to the first Academy Council assembly. This assembly was led by Mrs May but future assemblies will be run by the Council members. The Academy were told what had been discussed at the Council meeting and were given an opportunity to ask questions. A member of staff from each class attended the assembly.
