

This is Nursery Bear's special book where you can share with us the exciting things that he has been up to whilst visiting your house!

Nursery Bear visits each child for the weekend across the school year. When he comes back to Nursery on a Monday, your child will be given the opportunity to share with us and their friends the things that you have been doing at home.

It is up to you whether you write and add photographs, or just write in the book. However please be aware that this book travels with the bear so other parents can see the photo's that you put in.

By adding to the book you are giving consent for others to see this information. We do have separate sheets that you could fill out instead.

If you do not wish to write or stick photos in the book, we would still love for you to enjoy a visit home from our special bear.

Nursery Bear can also accompany your child on holiday or to medical appointments if you wish, please ask a member of staff.
