

HAZEL LEYS ACADEMY

Year 3

Newsletter

Wednesday 31st
October 2018

Welcome back after half term holidays. Our classroom has a new display, representing our main text this term:

The Lion, the Witch and the Wardrobe.

Thank you to all the children and parents who took time to complete their projects- our display area has been transformed!

Topics

In English this term, we are focusing on classic stories and then persuasive texts.

In Mathematics we are concentrating on column subtraction, followed by multiplication and division- from mental to written methods. We are still learning 3 times table- recalling facts in random order and then we will move on to 4 times table.

PE Lessons

PE will take place on Monday and Thursday afternoons. Children must be able to remove their own jewellery before taking part in any sporting activity and must always have their PE with them in school. We want all the children to be active and experience learning outside of their classroom. Children will learn through what they do, through what they encounter and through what they discover.

We will start this with our Outdoor Classroom Day on 1st of November. Please make sure your children wear warm, waterproof coats and wellies or boots. With the weather turning cold, please don't forget to wrap up warm- hats, scarves and gloves.

Our topic is North America. Every week, we will be 'travelling' to a different place on this continent. Children will be designing and making their own Totem Poles in DT.

In Science, we are learning about forces and children will be exploring, observing and testing how objects move.

Homework

We have slight changes to our homework activities. This term, the children will be completing the homework from the homework books- pages to be completed will be sent home.

Dates for your diary:

1st November Outdoor Learning Day

6th November Library Visit

12th November to 16th November Anti-Bullying Week and The Big Spotacular
