

Dear parents,

In the event that the school closes due to the coronavirus, work will be distributed online on airhead for children to access daily. Please see the following steps to support your child in logging in at home.

1. Go to the website: <http://airhead.io/> and locate the sign in button

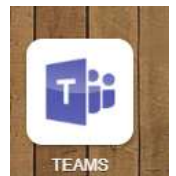

2. Please enter the school name: Hazel Leys Academy and use your school email address and password to sign in to your account.

3. Then you will need to find your Launchpad and select your name —

4. First, click on the teams icon and find the Panda class chat. You will need to keep this open to communicate with me when doing your work.

5. Next, go back to your Launchpad and click on the one note tab

6. Once open please click on the 'at home learning tab'. There you will find your work for each day.

I will be accessible through the teams chat to support children throughout the day.

Kind regards,

Miss Corner
