

Useful video links for maths help

This video is a great reminder of what multiples and factors are.

https://www.youtube.com/watch?v=1oQTriXR_lw

This video is a great reminder of what prime numbers are.

<https://www.youtube.com/watch?v=ikETNfsXavs>

This is a useful video to remind you how to do bus stop division.

<https://www.youtube.com/watch?v=FApcjdAhrY>

This is a useful video to remind you how to do grid multiplication.

<https://www.youtube.com/watch?v=BI4q8-lmzSk>

Useful video for finding the lowest (or least) common denominator before adding fractions.

<https://www.youtube.com/watch?v=pZEmFSP3Z0I>

Useful video for adding fractions

<https://www.youtube.com/watch?v=tDQipFjAoT8>

Useful video for subtracting fractions

<https://www.youtube.com/watch?v=c5dNa2TVHiQ>

Useful video for adding mixed numbers

<https://www.youtube.com/watch?v=LwzoDS5TRdM>

Useful video for subtracting mixed numbers.

<https://www.youtube.com/watch?v=hRZuPgBDwmg>

Useful video for multiplying a fraction with a whole number.

<https://www.youtube.com/watch?v=RbAaKAR5ErM>

Useful video for reflecting shapes.

<https://www.youtube.com/watch?v=25nCv3Cw2n8>

Useful video for plotting coordinates.

<https://www.youtube.com/watch?v=vvv-tATwdTA>
