

My Name is Mrs Cadman and I am very lucky to be the Nursery Teacher at Hazel Leys Academy. I am even luckier to love my job and have so much fun, playing and learning every day.

I am 39 years old, married and have two girls, Dani aged 8 and Hollie aged 12. I started out on my teaching journey 20years ago and knew that when I qualified EYFS was the place for me! I have spent the last 4 years at HLA Nursery. I'm very passionate and enthusiastic about everything we do with the children at HLA and love to try new things. I think it's fantastic that no two days are the same, the children are always set to amaze me as we learn together.

Here are a few of the things that I love to do...

I love to go outside, especially in the rain to jump and splash in muddy puddles, roll down banks and make mud slides!

I love to play football.

I love to paint and draw.

I love to read in the bath at Nursery... or take a rocket to the moon.

I love to bake cakes.

I love to try out science experiments, messy play and make slime!
