

# Zog Writing

Zog is our special class pet that likes to pop in a different places!

Zog will pop up on Tapestry on a Monday and Wednesday during school closure.

\*On Monday, can you look at Zog and listen to the sentence your grown up reads you? Try and write it by listening to the sounds you can hear.

\* On Wednesday, can you improve the sentence you did on Monday? Did you remember to leave spaces between your words? Did your sentence begin with a capital letter and end with a full stop? Can you make the sentence longer? Can you write your own sentence about the photograph?

Week 1		Zog has a hat.
