

# Summer Homework Project

Next year our first topic will be about Ancient Egypt. So that we can display some of your fabulous work in the classroom at the start of the year, we would like you to complete a creative summer holiday homework project. Some ideas for things you might do are listed below:

- Build a pyramid
- Make a mummy
- Make some Canopic Jars
- Make a pharaoh's death mask
- Make a sphinx
- Find out about Ancient Egyptian Gods
- Make an amulet
- Find out how the River Nile was used
- Make a head dress

Have fun, Mrs Morgan, Mrs Bradley and Mrs Windsor.
