

ALL SMILE FOR DENTAL HEALTH

JOIN OUR ONLINE TRAINING
SESSIONS FOR ANYONE WORKING
WITH PRIMARY SCHOOL CHILDREN

Do you have questions about primary school children's dental health in Northamptonshire?

Want to know more about how to help children maintain good dental health?

Join us for one of our online training sessions!

Our sessions are aimed at anyone with a professional interest in children's dental health.

Objectives for the session:

- The importance of maintaining good oral health
- The impact poor diet and frequent consumption of sugary food and drink has on teeth
- Practical tips on looking after children's teeth
- The importance of regular dentist checks

Primary School Children Oral Health Training
