Principal's Message

Dear Parents and Carers,

Welcome back to Summer Term 2 of the 2026 academic year. As we begin the final half term, I would like to thank you for your continued support and engagement, as it truly makes a positive difference to our school community.

It is also great to see that the local highways authority continues to prioritise the culvert area at the front of the school, helping to further prevent blocked access caused by flooding. This has resulted in the current lane closure, which began last month. We hope this has not caused too much disruption when arriving at and leaving the school site.

This half term is always a busy and exciting time, with a number of special events planned. We warmly invite you to join us for key occasions such as sports days, nursery graduation, the end of year report drop in sessions, and our end of year performances for parents, to name just a few. Please continue to check your texts and emails regularly for important updates and further details.

As we move into the warmer weeks, we kindly ask that children come to school with a water bottle and a sun hat on hot days. Where possible, please apply sun cream before school, as this helps to keep your child safe and comfortable.

Thank you once again for your ongoing support.

Mrs Beverley Trotman
Principal

Year 2 Trip to Sulgrave Manor

YR2 had a wonderful time visiting Sulgrave Manor where we learnt about life as a Tudor. We were taken on a tour of a Tudor home, creating our own posies and learnt how to play Tudor games.

Year 4 PGL Residential

They jumped straight into teamwork challenges, then took on raft building, orienteering and finished with abseiling. A brilliant first day of communication, problem solving, resilience and growing confidence.

Sir David Attenborough's 100th birthday celebrations at Hazel Leys Academy

The Academy Council has been busy preparing a range of whole-school celebrations to mark the 100th birthday of Sir David Attenborough and to recognise his lifelong contribution to educating us about our planet. Pupils have created a birthday card and prepared an assembly celebrating his remarkable life and achievements. We are also caring for caterpillars as they progress through their life cycle, with plans to release the butterflies as a special tribute — a celebration fitting for someone who has inspired generations with his love of the natural world.

Well done to all of last terms stars and readers of the week!
