Dear Parent/Carer,

Year Six – Key Stage 2 ATs Test Results delayed

I am writing to let you know about a delay to this year's Key Stage 2 (KS2) test results, which affects all schools nationally.

Schools were due to receive results on **7th July 2026**. However, Pearson Education Limited, the provider responsible for administering, marking and returning Key Stage 2 results to schools, has informed the Department for Education of a delay affecting the national system used to make results available to schools. Results will now be available on **16th July 2026**.

We know this is frustrating, and we share that feeling. However, it will not get in the way of celebrating everything your child has achieved at the end of their primary school journey. Therefore, our usual end-of-year reports will be issued as planned on Friday 10 July 2026. KS2 Year 6 SATs results will then be shared with you on **Friday 17th July 2026**. We will also send these home with your child in a sealed envelope.

Importantly, the delay is not related to the quality of the tests or the accuracy of pupils' results. Test papers have been marked in line with usual processes.

This will not impact your child's transition to secondary school and no action is required from parents or pupils. We will share results with you as quickly as possible after we receive them on 16th July 2026.

Thank you for your patience and understanding.

If you have any questions, please contact me and I will endeavour to answer any queries you may have.

Yours sincerely

Mrs Beverley Trotman
Principal
