Year 3/4 TATA KIDS OF STEEL

Dear Parent/Carer

Pupils in Year 3 and Year 4 will be taking part in the Brownlee Foundation and TATA Kids of Steel Mini-Triathlon event at Corby International Swimming Pool on Tuesday 2nd June 2026. Pupils will leave school at 9am prompt and will return to Hazel Leys Academy at approximately 11:30am.

This swim-bike-run event is fun, non-competitive and inclusive. The TATA Steel team is available to support every child to take part, therefore, we encourage all children to take part in the event. Alternatives and adaptations can be provided, for example, swim aids, shorter options, a static hand bike and a scooter, if required, for the event.

Here is some information for the day:

- The activity will last approximately 1 – 2 hours.
- Children should arrive changed into their swim kit with their PE kit over the top.
- Children should bring a **towel, trainers and a spare change of dry clothes and shoes** to get changed into after the event. Every child will receive a free Tata - Kids of Steel t-shirt to wear at this event.
- All the equipment required to participate is provided, children do not need to bring their own helmets/ bikes.

We look forward to this enjoyable morning.

Yours sincerely,

Miss Celebicanin
Assistant Principal and PE Lead
